ACTIVITIES

Follow us on Facebook for updates and tag your Instagram photos with #angleseacaravanpark to be featured!

ROCKPOOL RAMBLE

A world unlike any other, able to be explored only during the low tide and home to some of the most interesting creatures on the planet. Come and tickle a crab or touch a seastar, wear something better than thongs though or you might fall in!

BUSH TUCKER

Come along and find out about the local food, medicine and productive plants that have been used by Wadawurrung people on Wadawurrung country for thousands of years.

BIOWALK

Come and find out about the local plants and animals on this short tour around the park.

TRAILER PRESENTATION

Come and hear from our experienced coastal rangers about the local plants, wildlife, and environment. We'll have displays set up and stories to tell. Bring along any mystery objects or photos of weird stuff you have seen on your holiday to find out what they are!

CAMPER CONVERSATIONS

Drop in for a chat with senior management to discuss caravan park operations.

ARTS AND CRAFTS PICK UP STATION

Pick up a colouring bag or a take home DIY herb pot. Find somewhere in the park or take it back to your campsite or cabin to complete.

WEEKLY CRAFT COMPETITION!

Pick up one of our nature craft templates from the park office and get crafting. Great Prizes to be won each week!

Please wear your hat, sunscreen and closed toe shoes to all activities.
